

OFFICIAL DECLARATION

Responsible Party: Knit Academy | admissions@knit.edu

Please read and acknowledge the following before uploading your documents. By clicking "I Agree" you confirm that you have read and understood this declaration and consent to the processing of your personal information as described below.

1. Consent to Collection and Processing

I freely and voluntarily consent to Knit Academy ('the School') collecting and processing my personal information — including my Identity Document, bank statements, and payslips — for the purposes described in this declaration.

2. Purpose of Processing

My documents are required solely for the purposes of verifying my identity, assessing financial affordability, structuring school fee payment arrangements, and managing my school fee account. My information will not be used for any other purpose without my separate, specific consent.

3. Accuracy of Information

I confirm that all documents and information I upload are authentic, accurate, and current. I understand that submitting fraudulent or altered documents may result in rejection of my payment plan and further action by the School, including referral to law enforcement.

4. Verification and Credit Checks

I authorise the School to verify the information I have provided. Where applicable, this will include sharing my financial information with registered credit bureaus — including Experian South Africa (Pty) Ltd and/or Credit Intelligence — solely for the purpose of conducting an affordability assessment in connection with my school fee payment arrangement. This information will not be used for any unrelated credit or marketing purpose.

5. Automated Processing

I understand that my information may be used in automated affordability assessments to determine suitable fee payment arrangements. I have the right to request that any material decision affecting my account be reviewed by a person. To exercise this right, contact admissions@knit.edu.

6. Data Security and POPIA

My documents will be encrypted, stored securely, and processed in strict compliance with the Protection of Personal Information Act 4 of 2013 ("POPIA"). My data will not be sold or used for third-party marketing.

7. Authorised Service Providers

The School may share my information with authorised technology and payment service providers engaged by the School to operate this platform. These providers are contractually bound to process my information only as directed by the School and in compliance with POPIA.

8. Retention

My documents will be retained for a maximum of five (5) years following the conclusion of my school fee arrangement, or as required under the Tax Administration Act 28 of 2011 and the National Credit Act 34 of 2005, whichever period is longer. Thereafter, my documents will be securely destroyed.

9. My Rights Under POPIA

Under POPIA, I have the right to:

- Access the personal information the School holds about me;
- Request correction of inaccurate or incomplete information;
- Withdraw my consent at any time by contacting admissions@knit.edu. Withdrawal will not affect the lawfulness of processing already carried out, but the School may be unable to offer a deferred payment arrangement without these documents;
- Object to processing of my personal information on reasonable grounds; and
- Lodge a complaint with the Information Regulator (South Africa) at www.inforegulator.org.za or complaints.IR@justice.gov.za.
